INTERNET

While Internet is not a part of Homestay, most students require Internet access in the home. Many students bring their own laptop, but if for some reason they do not, some hosts allow students infrequent access on their personal computer. No one should use your computer if you are not comfortable sharing it. If you do not already have Internet in your home, the student is required to pay 100% of the installation fees to you in advance.

Is Internet available for your students: Yes No **If no, will you allow installation if they pay for it fully:** Yes No

Please tell us about the Internet access students have in your home:
